

Title : Goalie Game Situation Drill 5

Category : Age 10 to 20

Content : Wrap around + Screen situation

Drill description :

- 1) The goalie has a series of movements to do before he faces the first shot.
- 2) Shooter 1 will need to wait for the goalie to go behind the net and then go for a wrap around when the goalie is ready for him. (no rebound)
- 3) Shooter 1 will go in front of the goalie after the shot is taken to create a screen.
- 4) Shooter 2 will choose a shooting lane to get a good screen shot.
- 5) Shooter 1 or 2 can take the rebound on the last shot.
